MAY 2025

NEWSLETTER

“ As we enter the fifth month of the year, May offers the perfect opportunity to pause, reflect, and reset. It’s a season that brings lighter days, renewed energy, and for many of us, a desire to refocus—both personally and professionally.

At SDC, we believe that a well-designed workspace isn’t just about physical infrastructure—it’s also about fostering balance, wellness, and a positive environment for everyone who walks through our doors.

WELLNESS AT WORK: A FRESH START THIS MAY

This month's newsletter shines a light on wellness at work, sharing practical tips to refresh your space and energize your routine. We're also excited to look back at the fun and connection shared during our recent company outing—a great reminder that wellness includes not just the work we do, but the people we do it with. Time away from the desk, surrounded by teammates and fresh air, goes a long way in keeping spirits high and teams strong.

5 QUICK WAYS TO REFRESH YOUR WORKSPACE THIS MAY

1

DECLUTTER YOUR DESK

A tidy space helps clear mental fog. Take 10 minutes to throw away old documents, organize supplies, and wipe surfaces. Keep only daily essentials visible to reduce distraction.

2

ADD A PLANT OR PERSONAL TOUCH

Bring life to your desk with a low-maintenance plant—like a snake plant or succulent. You can also add a framed photo, an inspiring quote, or a calming desktop wallpaper.

3

TAKE A MOVEMENT BREAK

Sitting too long affects energy and posture. Set reminders every hour to stand, stretch, or walk around. Even a short walk to the pantry can help reset your focus.

4

USE A TASK PLANNER

Whether it's a notebook or a digital app, organizing your day helps reduce mental clutter. Try time-blocking to structure your hours more efficiently.

5

TRY THE FITNESS CENTER

Open to tenants of Hexagon Corporate Center, our 2nd Floor Fitness Center is a great way to break up the workday with movement.

🕒 Open 24/7, with complete use of lockers, and gym equipment.
